ST. FRANK

St. Frank is a home decor company that provides high quality items that are aesthetically inclusive of a wide range of cultures while being ethically sustainable

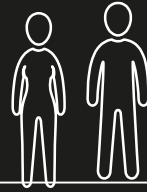

The goal of this project is to provide a functional office space for St. Franks' 41 employees. Private and collaborative work spaces, conference and display areas as well as creating key health, wellness and mind spaces to further the St. Frank brand

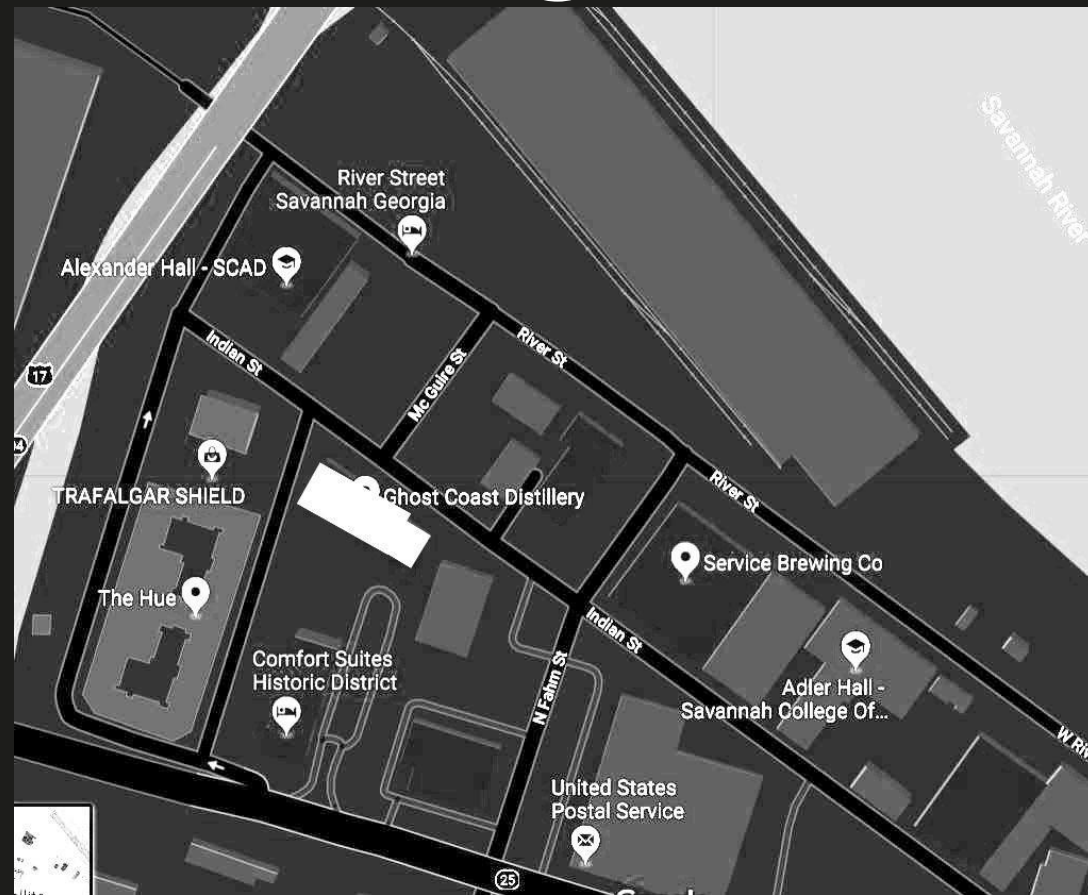

Building & Site

641 Indian St., Savannah, GA, 31401

Building & Site

641 Indian St, Savannah, GA, 31401

Nearby are educational facilities, student apartment living, hotels, a postal office, construction buildings and collective businesses

Foot traffic and vehicular traffic are both moderate, increasing on River and W Bay st

A main highway runs transverse to the building

The Savannah River includes passing ships that create noise interference

A pair of hands is shown from a top-down perspective, gently cupping a collection of small, blue, cylindrical objects. The objects are densely packed in the center of the palms and appear to be small beads or seeds. The lighting is soft, highlighting the texture of the skin and the smooth surface of the objects. The background is a dark, out-of-focus gradient.

CURATOR

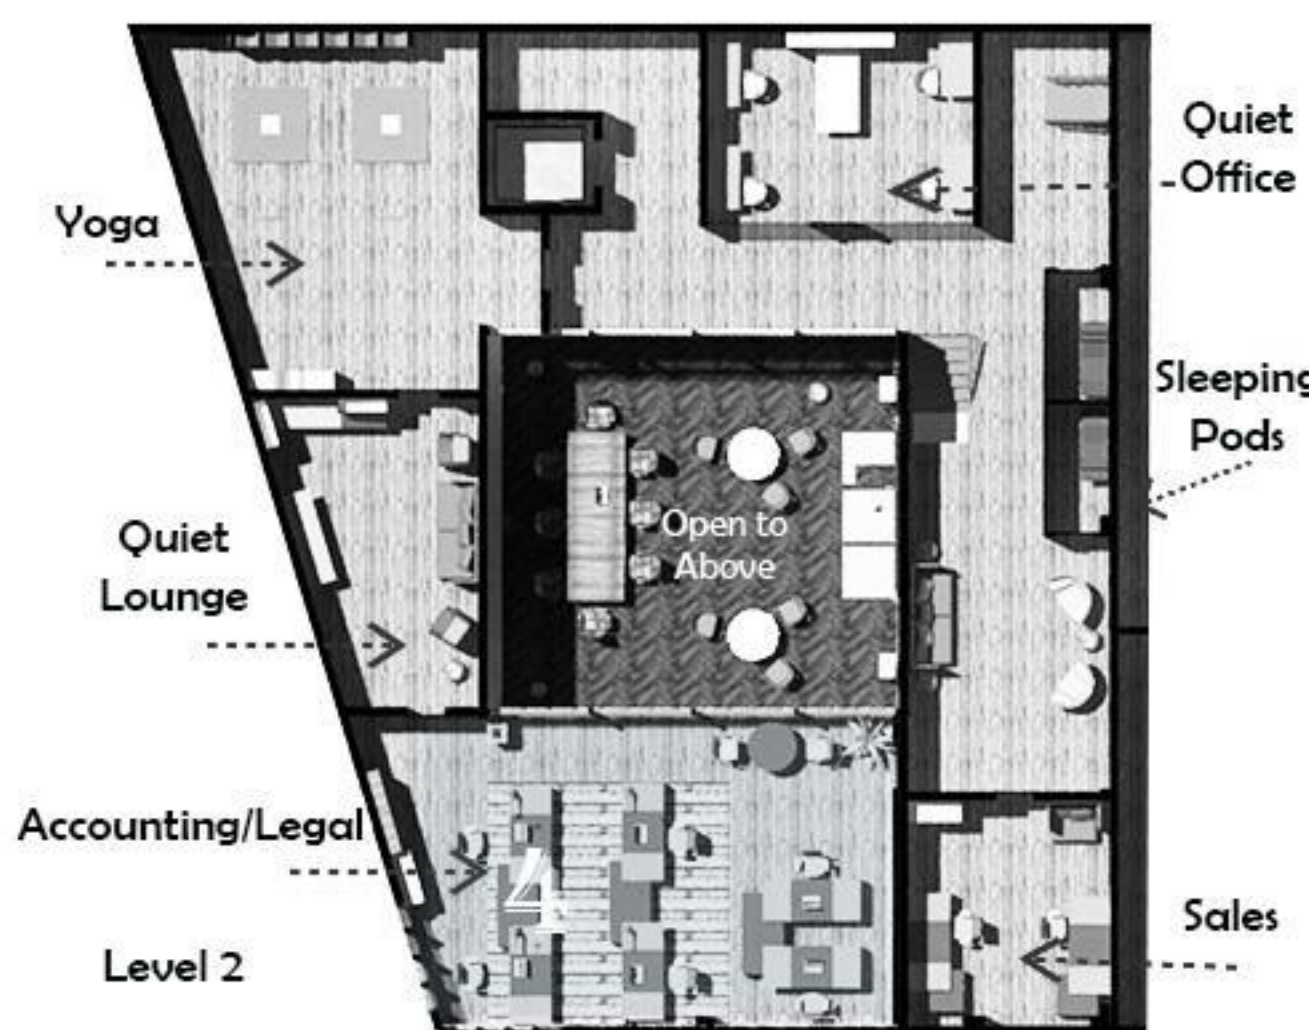

Curator- a keeper or custodian of a museum or collection

“ The role of the curator is to assemble, document and present artistic and cultural collections not only with an appreciation for an objects' intentions but with the foresight of that objects' potential. These key components are the backbone to the St. Frank brand, by preserving the authentic artisans' handiwork, not only is there a provision for economic support but the opportunity for creative collaboration on a global scale ”

A close-up photograph of a hand holding a spray gun, applying a vibrant blue paint to a light-colored wall. The spray gun is positioned horizontally, and the blue paint is being applied in a thick, textured layer. The word "Perspectives" is overlaid in a white, serif font across the center of the image, partially obscuring the spray gun's nozzle. The background is a soft, out-of-focus light blue and white, suggesting an interior wall being painted.
